

SALESIAN COLLEGE CELBRIDGE
“We care, develop, believe- together we achieve”
Parents Association Annual BBQ for Sports day
Tuesday 14th May 2024

Dear Parents/Guardians,

The Parent's Association is busy preparing for our biggest annual fundraising event – the Sports Day BBQ which this year will take place on Tuesday 14th May.

School Sports Day is always a great highlight for the students and there is excellent participation, effort and enthusiasm from all our students. It is also a very enjoyable day for our 6th years who give it everything as it is their last whole school event in Salesian College.

A huge part of making Sports Day such an enjoyable and successful occasion for our students is the Parents Association BBQ.

The students really enjoy all the freshly barbecued burgers and sausages and drinks and treats.

Over the last number of years, the Parents Association have been extremely fortunate in securing sponsorship for the supplies needed. This has allowed us to keep the prices fair and reasonable for the students whilst raising funds for the Parents Association.

All funds raised by the Parents Association go solely to student activities.

So far this year the Parents Association have sponsored extra-curricular activities, the guest speakers during our Festival of Wellbeing, new musical instruments, guest presenter Professor Niall Moyna, our Ceangail and Cinnirí leadership teams and many other student activities.

We need your help this year and would be most grateful if any parents / guardians might be able to assist with the following supplies:

Burger Buns	850
Hot dog rolls / buns	200
Drinks – Coke/ Fanta/ 7 up mixture	950
Bottles of Water	300
Chocolate bars	1000 (no nut bars)

Please check out our promotional video made by our students on our Facebook and Instagram pages.

If you can help in any way or might have a suggestion which might assist in the planning for this great event, please contact the Parents Association via email:

salesianparentsassociation@gmail.com

Or

Office@Salesianscelbridge.com

We look forward to hearing from you and ensuring a great day for all our students.

Is mise, le meas,

Dr. Griffin, Chairperson of the Parents Association.
